

# Gold Line Strengthens Technical Management Team With the Appointment of Exploration Manager

VANCOUVER, BC, Aug. 23, 2021 /CNW/ - **Gold Line Resources Ltd.** (TSXV: GLDL) (Frankfurt: 4UZ) (WKN: A2QGWC) (OTCQB: TLLZF) ("**Gold Line**" or the "**Company**") is pleased to announce the appointment of Edine Bakker, as Exploration Manager.

Ms. Bakker is a geologist with close to a decade's experience in mineral exploration, covering multiple commodities across the European continent, as well as extensive experience in both greenfield and near-mine exploration programmes. Ms. Bakker holds a Bachelor of Science degree in Geology from Vrije Universiteit Amsterdam, as well as a Master of Science (MSc) degree in Economic Geology from Eidgenössische Technische Hochschule Zürich. Edine completed her MSc thesis in cooperation with Newmont Mining in 2013, which was titled "*Ore fluid characteristics of the Copper Canyon Cu-Au porphyry skarn deposit, Nevada, U.S.A*". Edine commenced her professional career in gold exploration in central and southeastern Europe, before moving to Sweden. Ms. Bakker has worked in all of the prolific mining districts in Sweden, having held geologist positions with both Boliden and Mandalay Resources.

In addition to her hands-on field experience, Edine has done project management for numerous multi million-dollar international research projects, resulting in several publications, including in established mining and geological journals, such as the *European Geologist*. Edine has also held the reputable position of Geologist for the Economic Geology Unit, for the Mineral Resources department at the Geological Survey of Sweden. Ms. Bakker has working proficiency in the English, Swedish, Dutch, and German languages.

Ms. Bakker will oversee all aspects of the Company's exploration program, including designing, planning, and coordinating of all key activities required to advance the Company's portfolio of early-stage and advanced exploration projects.

*"We are very honoured to have Edine join our Senior Management team at such a pivotal time in the Company's development," stated Adam Cegielski, Gold Line's CEO. "Edine brings the level of experience and expertise the Company seeks to ensure we meet our commitment of achieving operational excellence and exploration success. We look forward to Edine's positive contributions, as she focuses on advancing the Company's diverse project portfolio."*

## **About Gold Line Resources Ltd.**

Gold Line Resources is focused on acquiring mineral properties with exceptional exploration potential in the most prolific gold-producing regions of Fendoscandia, and further delineating the historic. Gold Line is working in one of the world's top mining jurisdictions and emerging exploration frontiers due to its strong mineral endowment, stable tenure, straightforward permitting, favourable tax regime and supportive geopolitical landscape.

Gold Line currently holds a prospective portfolio of five gold exploration projects in Sweden: one project is in the Skelleftea belt of north-central Sweden and four projects, including the Långtjärn

property, are located within the Gold Line Mineral Belt of north-central Sweden. The projects are located on a 200-kilometre Proterozoic greenstone sedimentary belt that is host to multiple gold showings and deposits.
